

The organisation promotes the Mediterranean economy in the world, contributes to the economic and social development of the region and strongly encourages Euro-Mediterranean economic integration, through the essential role played by the private sector.

Nowadays, we occupy a prominent place in the field of cooperation between Chambers of Commerce, cities, and companies in the Mediterranean and with other regions in the world.

- The widespread diffusion of your actions and accomplishments through our **social media platforms**.
- Be part of our discussions joining the #ASCAME hashtag & promote yourself at the forefront of the discussions.

Improve your competitiveness through exclusive insights into the regional economic scene, trending dilemmas & potential market niches

- Get regular and up-to-date information on the latest news about our programs, events and the activities of our members/stakeholders through our **e-newsletter**, publications and social media channels.
- ASCAME serves as a hub for information and data about all sectors of the economy, opportunities and much more.

Connect to a platform that is indispensable for sharing experiences & best practices

- Feature your logo on our website www.ascame.org with a link to your profile, website & social media channels.
- Publish communications, activities & opinion articles in our website sections.

Exposure to key stakeholders in both the public and private sector

Exclusive access to an extensive contact network of hundreds of Mediterranean actors

events

Meet & Greet

- Enhance your **connections** throughout our network and develop new ones by meeting key stakeholders and multinational groups in the region, **Europe, Africa** and the **Middle East** – including matchmaking with high-level political figures and leading business representatives.

Position yourself, your organization and/or your brand

- We offer strategic visibility for our members, partners, private sector's products, and services.
- Over **50,000 companies** and **500 institutions**, multilateral, regional and international actors have participated throughout the years in ASCAME events and projects.

Steer the discussion

- ASCAME's events provide a dynamic platform to promote the Mediterranean economy and opportunities in the world and to share your knowledge and expertise as an important regional actor and represent your organization's vision.

Keep in touch

- Following your meetings and active networking, bring home with you the **event participation list**, enabling you to stay connected with colleagues, collaborators, and potential clients.

Give and Take

- Become a strategic partner for ASCAME events and see your brand reach the **business communities** of three continents through tailor-made sponsorship solutions. **Free access to conferences and forums as well as negotiated discounts to third-party events.**

projects

Since 2010, ASCAME has been involved in more than **40 projects**; valued at more than **€140 million in investments** and affecting key sectors such as investment, trade, tourism, environment, renewable energies, ITS, transport and logistics, textiles, entrepreneurship, tourism or agri-food.

- Our network is a unique platform for **business connections** and projects' consortium creation.
- We offer support to analyse projects' opportunities and ideas by providing "think-tanks".
- Our Association offers **training and informative workshops** (focused on how to design and submit a project proposal).

Help your Organization or Chamber expand in the Mediterranean region

- We can help you expand in the region (Africa, Europe, Asia) by providing you with market insight and networking opportunities with industry and decision-maker leaders.

Opportunity to participate in internal activities and events to promote the economic development of the Mediterranean basin

- You can be part of any of the 20 ASCAME's Working Commissions, Round Table Events, and Committees aimed at discussing specific topics of economic development with different experts.

Powerful advocacy

- ASCAME represents the business' interests of the Mediterranean Chambers and companies by closely working with policymakers, stakeholders and opinion leaders.
- Use the ASCAME corporate logo for your activities.
- Featured your logo in our communication channels

ASCAME Member and Network Help Desk

- Benefit from close attention directed to our members by the **Member and Network Help Desk**. Members and networkers can address us requests that are solved proactively. The service is useful to establish connections between members, networkers and also third parties.
