

Notice of Contract Award Decision

ASCAME is pleased to inform that the General Secretariat has made the decision to award the contract for External Expertise for Open Innovation Missions services in the context of the "Euro Mediterranean Network Facilitating Market Uptake of Innovations from SMEs (EMPHASIS)" project financed under the ENI CBC MED Program.

A deliberation table has been set up on December 20th, 2022 in order to evaluate the offers received in accordance with the tender conditions launched by ASCAME.

This tender was published with a deadline of 13 calendar days, however, only one company submitted to the position. In this case, we have extended the deadline to more 14 calendar days, but no additional companies have come forward. Therefore, we inform you that the company selected for this service is **Technological Corporation of Andalusia (CTA)**.

The award criteria for this contract were as detailed in the Invitation to Tender document. The price element made up 50% of the total score, the methodological approach the 30% of the total score, and CV and proven experience in such similar works the 20%.

Therefore, based on the result of the evaluation that has taken place, and having achieved the highest global score according to the evaluation of the different items to be taken into account, the General Secretariat has awarded the contract to **Technological Corporation of Andalusia (CTA)**, in the global framework of the conditions offered.

The overall score **Technological Corporation of Andalusia (CTA)** obtained against the award criteria were 100% out of a maximum of 100%.

We want to thank you all for your interest and time dedicated in this Tender.
