

Notice of Contract Award Decision

ASCAME is pleased to inform that the General Secretariat has made the decision to award the contract for elaboration of commercial agendas in Barcelona for Intecmed's subgrantees "incubators for innovation and technological transfer in the Mediterranean (intecmed)" project financed under the ENI CBC MED program.

A deliberation table has been set up on 9th October 2023 to evaluate the offers received in accordance with the tender conditions launched by ASCAME.

The award criteria for this contract considered as important elements lowest price and proven experience in the elaboration, distribution, and communication of tailor-made business agendas.

Therefore, based on the result of the evaluation that has taken place, and having achieved the highest global score according to the evaluation of the different items to be considered, the General Secretariat has awarded the contract to **the Chamber of Commerce of Barcelona**, in the global framework of the conditions offered.

The overall score of **the Chamber of Commerce of Barcelona** obtained against the award criteria was 100% out of a maximum of 100%.

We want to thank you all for your interest and time dedicated in this Tender.
